

ANSWERING REVIEWERS

Dear Editor,

Thank you for reviewing our invited manuscript.

Title: Computed tomography dose optimisation in cystic fibrosis: A review

Author: Helena Ferris, Maria Twomey, Fiachra Moloney, Siobhan B O' Neill, Kevin Murphy, Owen J O' Connor, Michael Maher

Name of Journal: *World Journal of Radiology*

ESPS Manuscript NO: 21477

We have made the following changes as requested to the manuscript (highlighted in green):

1. Reviewer: "Please, correct English language: utilisation... Please, the abbreviation of CED was included 2 times. The abbreviation of IBD was not showed at the first time it was described".

The abbreviations of cumulative effective dose (CED) and inflammatory bowel disease (IBD) have been corrected as requested by the above reviewer. The manuscript has been reviewed for the correct use of the English language.

2. References

The PubMed citation numbers and DOI has been added to all the references.

All author names have been included.

The authors have carefully scrutinized the references and any duplicate references have been removed. The references are in the correct sequence.

Thank you.

Best regards,

Fiachra Moloney
