

October 19, 2015

Dear Editor,

Thank you for your time in evaluating our manuscript. We appreciate the opportunity to revise our manuscript. We are re-submitting, as requested, the following revised manuscript entitled “It is 2015: What is the best diagnostic and treatment options for Meneire’s disease?” Please note that the editorial revisions have been made as indicated. The reviewers did not give any specifics on items that needed changing. So there were no specific comments to respond to. We appreciate your consideration in the publication of this original work.

Sincerely,

Syed F. Ahsan, MD

Responses to Editor:

1. We carefully reviewed the manuscript and made the sure that the manuscript fits the recommended publishing guidelines. We have any corrected the typographical and grammatical errors to the best of our abilities.
