Hi Scientific Editor,

Please find the revised manuscript entitled: "Integrating palliative care in oncologic emergency departments: challenges and opportunities". We would like to thank the reviewer for the great input. We have addressed the reviewer comments, and added a complete section and a table (table 4). We hope these changes are satisfactory. Please let us know if further changes are required.

No author have a conflict of interest. The authors are:

Ahmed F. Elsayem, MD MPH

Hiba E. Elzubeir, MD

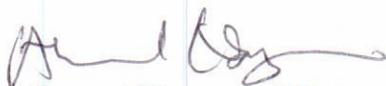

Patricia A. Brock, MD

Knox H. Todd, MD MPH

We would like to thank you for the opportunity to publish in your journal

Thank you

Sincerely,

Ahmed Elsayem, MD MPH
