Conflict of interest statement

Manuscript NO: 22322

Title: Hepatitis C virus relies on lipoproteins for its life cycle

Authors: Germana Grassi, Giorgia Di Caprio, Gian Maria Fimia, Giuseppe Ippolito, Marco Tripodi and Tonino Alonzi.

On behalf of all co-authors I declare that neither potential conflicts of interest nor financial support could be applied to the manuscript.

Rome 30/12/2015

Dr. Tonino Alonzi
