Subject: Declaration of English as primary language

Respected Sir/Madam,

With reference to my manuscript submission, Case Report - Pregnancy And Crigler Najjar Syndrome Type 2 – having No. 23080 for consideration to publish in the World Journal of Hepatology, I wish to declare that English is my primary language of communication. I have done all my schooling and higher education with English being the medium of instruction. As such, I would request you to please consider my manuscript as coming from a native English speaker.

Thanking you in anticipation.

Respectful regards,
