

Roma, 8.05.2013

Dear Editor,

We did read and revise our manuscript by two of our employees, one a native English speaker (Dr. Raffaella Aragon), the other has lived for several years in England. We therefore believe that the language of our manuscript has reached Grade A.

Two handwritten signatures in black ink. The first signature on the left is more complex and stylized, while the second signature on the right is simpler, consisting of a large 'R' followed by a horizontal line.

Dr. Maria Elena Riccioni

Dr. Riccardo Urgesi
