

Dear reviewers:

Thank you very much for reviewing my manuscript (ESPS Manuscript NO: 23199). I have made the following revisions according to your comments:

1. Let the English language editing company revise the manuscript thoroughly, including the tables;
2. Provided a language certificate letter from a professional English language editing company;
3. Furnished an audio file (format: .mp3) of my reading of the core tip.

Sincerely, Zhaoying Fu (author of correspondence)
