Job No.: 7026311

Job Title: Constipation, Hard Stools, Fecal Urgency...

Your manuscript has been proof checked and your newly added text has been comprehensively edited. Please check the edit carefully, especially the areas highlighted in **green**.

If you have any questions about the manuscript, or if you would like me to check any final changes you make to the wording, please let me know. However, if you will proceed directly to resubmission, I wish you well with this.

We look forward to working with you again.
