RE: CERTIFICATE OF EDITING

We herewith confirm that the manuscript, **Treating Chronic Hepatitis B virus: Chinese Physician's Awareness of the 2010 Guidelines**, was developed with the assistance of a native English speaking medical writer employed by Nucleus Global.

The responsibility of the medical writer was to ensure proper English language, grammar, punctuation, spelling, and overall style of the manuscript

The medical writer was acknowledged in the manuscript for performing these tasks.

Yours sincerely,

Nucleus Global
