A gentle reminder: The Baishideng Publishing Group Inc reminds all authors that instances of (1) plagiarism; (2) data fabrication and/or falsification; (3) redundant publication; and/or (4) misrepresentation about the qualifications for authorship are the responsibility of every author listed on a paper, *regardless of their intent or knowledge*. If an author suspects or is aware of any of these irregularities in their manuscript, it is strongly recommended that the authors immediately contact the journal and initiate withdrawal of the submission. Once a manuscript has been published online, withdrawal (retraction) of the paper due to the irregularities listed above will incur a charge of USD10,000.00 to compensate the publisher for the loss incurred. The online format of the manuscript will be withdrawn within four weeks of the request.

The following should be noted when all authors sign the agreement:

1 Authors are prohibited from making any changes to the BAISHIDENG PUBLISHING GROUP INC COPYRIGHT ASSIGNMENT without the prior consent of the editorial board. If authors have any different opinion about the copyright transfer agreement, they should contact the editorial office before making any changes to it.

2 All authors will sign their names on a single page, in the order that they appear on the title page of the manuscript; multiple signature pages are not acceptable. After all authors have signed, please return the signed version (in PDF format) to the editorial office. Delivery of a printed version of the copyright transfer agreement or faxing the copyright transfer agreement is not acceptable. This agreement will be released online together with the published article.

3 Each author must sign his/her name and date himself/herself. Others are not allowed to sign the agreement on behalf of authors. If this situation is found to have occurred, the manuscript will be withdrawn immediately, all of the authors will be placed onto a publication blacklist for any journal published by the Baishideng Publishing Group Inc, and any submissions to journals published by the Baishideng Publishing Group Inc will not be considered or accepted for publication.
