

# Inter-Biotec

Native English biomedical editing

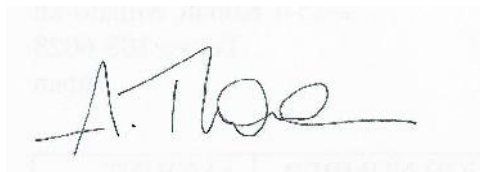

---

March 28, 2012

To whom it may concern,

The manuscript entitled “Effect of Japanese herbal medicine, Daikenchuto (TJ-100), on abdominal bloating in hepatectomized patients”, by Hanazaki et al., has been revised by a specialist native English editor with a PhD in biomedical sciences.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'A. Thomson', is centered on a light gray rectangular background.
