

Confirmation of English Language Editing

Bioscience Editing Solutions provided scientific language editing for Dr. Yukang Wang on the manuscript entitled “The impact of intestinal ischemia/reperfusion injury and lymph drainage on distant organs in rats” for submission to the World Journal of Gastroenterology. All English grammatical/syntactical errors have been corrected and the prose, verbiage, and clarity have been improved upon. The manuscript is now ready for submission. If you have any questions please feel free to contact me.
