

CLEO
Club Epatologi Ospedalieri
Presidente: dott. Giorgio Barbarini

Pescara 10/06/2014

TO WHOM IT MAY CONCERN

The Governing Board of the Italian Association of Hospital Hepatologists (CLEO) met today to evaluate the protocol and database for data collection of the study entitled "Boceprevir or Telaprevir in HCV chronic infection: The Italian real life experience."

The Committee, which acts as a review board, approves the study and authorizes the collection of verbal informed consent by patients.

For other requests, the Governing Board states that:

1. TRIAL REGISTRATION is not applicable for this type of study
2. ANIMAL CARE not applicable
3. ANIMAL CARE not applicable
