Re: manuscript ESPS 2542

Date: March 8, 2013

Dear Dr. Huang:

The manuscript ESPS 2542 submitted to the WJM by our team was written and edited by the native English speakers. Thus I believe that the language of our manuscript has exceeded Grade A requirement. Please let me know if something else needs to be adjusted to make it suitable for publication in your Journal.

Sincerely yours,

Alexander (Sasha) V. Vlassov, PhD
