## CERTIFICATE OF EDITING

This is to certify that the paper of **Dr. Chisato Hamashima** entitled, “**Benefits and harms of endoscopic screening for gastric cancer**” has been comprehensively reviewed and edited for English language to meet the language standards required by leading English language publications.

The editing did not involve any alteration of the research content or the author's intentions. The undersigned guarantees the quality of the English language of this paper, provided that further changes have not been made before submission.
