Name of Journal: *World Journal of Gastrointestinal Oncology*

ESPS Manuscript NO: 26101

Manuscript Type: Review

Answer to reviewers

Minor corrections according to the reviewers comments were made.

We have stated references regarding meta-analysis studies indicating the efficacy of personalized treatment.

We shortly explained and discriminated between positive and negative predictive

MSI is a well stablished prognostic marker but it was included in the manuscript because it's role as a predictive marker is under investigation (for example in predicting response to immunotherapy treatment)
