Dr Bharat Bajantri  
Medicine  
Grand Concourse

Dear Dr. Bajantri:

Thank you for bringing to our attention your project entitled: "Cytomegalovirus related fatal duodenal diverticular bleeding: A Case Report and Literature Review."

Upon review, it has been determined that this Case Report is not a research study. Therefore, this does not require IRB approval.

Sincerely,

Elizabeth Doramajian, MS  
Administrator  
Institutional Review Board
