Title: Comparative study of efficacy and safety of quetiapine versus haloperidol in patients of delirium

Reference No. NK/1306/Res/126

Dear Dr. Sandeep Grover,

The Institute Ethic Committee (Intramural) at their meeting held on 20.10.2015 has **APPROVED** your study protocol.

It is understood that the study will be conducted strictly as per the submitted protocol. Any deviations from the approved protocol and study documents must be sent the ethic committee for re-approval. Any adverse reaction or condition noted during the study period should be reported to the ethic committee immediately.
