**Manuscript ID- 27692 “Toll-like receptors in pathophysiology of liver diseases”**

<b>Step 1. Please revise your manuscript according to the reviewers’ comments</b>	<b>Replies</b>
<b>Reviewer 1</b>	
The paper is well designed and interestingly. The authors should summarize additional clinical recommendations base on the finding	Clinical recommendations are added into the conclusion section <b>(Please See Pages 28-29 for the redline text)</b> .
<b>Reviewer 2</b>	
There are too many repetitions. Manuscript must be extensively shorten.	The text is shortened accordingly.
Summary table(s) should be added	Added as follows: <b>Table 1.</b> TLR expression and their signaling in the liver <b>Fig 1.</b> Toll-like receptors signaling pathways <b>Fig 2.</b> Enhanced LPS/TLR4 signaling in chronic liver diseases. <b>(Please See Table and Figures in the text)</b>
<b>Reviewer 3</b>	
The manuscript is well written. It is very complete. It makes a comprehensive review of the TLR and closely checks the pathogenesis of TLR in each pathology	OK
<b>Step 2. Please update the manuscript according to the Guidelines and Requirements for Manuscript Revision-Review. You can find the Guidelines and Requirements for Manuscript Revision-Review, which includes the detailed writing requirements for the Title, Running Title, Authorship, Abstract, Keywords, Core Tip, Academic Rules and Norms, Tables and Illustrations, Comments and References, as an attachment</b>	Entire text is revised accordingly.
<b>Step 3. Please provide an Audio Core Tip.</b> In order to attract readers to read your full-text article, we request that the author make an audio file describing the final core tip of the manuscript. This audio file will be published online, along with your article. <b>Acceptable file formats:</b> .mp3, .wav, or .aiff <b>Maximum file size:</b> 10 MB To achieve the best quality, when saving audio files as an mp3, use a setting of 256 kbps or higher for stereo	OK, uploaded.

<p>or 128 kbps or higher for mono. Sampling rate should be either 44.1 kHz or 48 kHz. Bit rate should be either 16 or 24 bit. To avoid audible clipping noise, please make sure that audio levels do not exceed 0 dBFS.</p>	
<p><b>Step 4. Please subject the manuscript to <i>CrossCheck</i> analysis and the final title to Google Scholar search, and store screenshot images of the results.</b> <i>CrossCheck</i> powered by <i>iThenticate</i> (document checking software) is an initiative started by <i>CrossRef</i> to help its members actively engage in efforts to prevent scholarly and professional plagiarism. We strongly suggest that you perform a check of your revised manuscript before resubmission using the <i>CrossCheck</i> program available at <a href="http://www.crossref.org/crosscheck/index.html">http://www.crossref.org/crosscheck/index.html</a> and of the final title using Google Scholar at <a href="http://scholar.google.com/">http://scholar.google.com/</a></p>	<p>OK, uploaded.</p>
<p><b>Step 5. Please provide the files related to academic rules and norms. The files related to academic rules and norms include the conflict-of-interest statement.</b> You can find the detailed requirements in the Guidelines and Requirements for Manuscript Revision-Review and in the Format for Manuscript Revision-Review, both of which are provided as attachments</p>	<p>OK</p>
<p><b>Step 6. Please provide the approved grant application form(s) or funding agency copy of any approval document(s)/letter(s).</b> For manuscripts supported by various foundations (<i>i.e.</i>, charitable, not-for-profit organizations), the authors should provide a copy of the full approved grant application form(s) or funding agency copy of any approval document(s)/letter(s), consisting of the information section and body section in PDF format. The approved grant application form(s) or funding agency copy of any approval document(s)/letter(s) will be released online together with the manuscript in order for readers to obtain more information about the study and to increase the likelihood of subsequent citation.</p>	<p>N/A</p>
<p><b>Step 7. Please revise the language of your manuscript.</b> For manuscripts submitted by Non-Native Speakers of English, the authors are required to</p>	<p>Verified, certificate is uploaded.</p>

<p>provide a language editing certificate, which will serve to verify that the language of the manuscript has reached Grade A. You can find the details of the language editing process for manuscripts submitted by Non-Native Speakers of English at <a href="http://www.wjgnet.com/bpg/gerinfo/240">http://www.wjgnet.com/bpg/gerinfo/240</a>.</p>	
<p><b>Step 8. Please sign the Copyright Assignment form.</b> The Copyright Assignment form can be downloaded from the ESPS; you may find it under the "Files Download" area (please click on the "+" in front of the manuscript number to view the Files Download button). Please note that the information in the signed document (<i>i.e.</i>, the manuscript title, the authors' list, and the corresponding author) must be identical to the information presented in the final version of the manuscript. Please do not fax the signed documents, but instead submit the scanned PDFs online or by e-mail.</p>	<p>OK, uploaded.</p>
<p><b>Step 9. Submit the revised manuscript and all related documents.</b> When you are ready to resubmit your revised paper and all required accompanying documents, please click <a href="http://www.wjgnet.com/esps/ModifyManuscript.aspx?UserId=cJKvu410y7ZB2azdJPXp0jok71rpgRtNq%2brLGAKq%2b7I%3d&amp;id=SzWKDROZrdkZxRUos%2fXfqg%3d%3d&amp;UserNumId=00031548">http://www.wjgnet.com/esps/ModifyManuscript.aspx?UserId=cJKvu410y7ZB2azdJPXp0jok71rpgRtNq%2brLGAKq%2b7I%3d&amp;id=SzWKDROZrdkZxRUos%2fXfqg%3d%3d&amp;UserNumId=00031548</a> to begin the uploading process. <b>Please note that the author list and affiliations, author contributions and funding information are not allowed to be modified after a manuscript's formal acceptance.</b></p>	<p>OK</p>
