To Whom It May Concern,

Our editing company provided comprehensive editing services for the ESPS Manuscript NO:

2784: Annexin A2 silencing inhibits invasion, migration, and tumorigenic potential of hepatoma cells, which is under consideration for publication in your journal. The edit has achieved Grade A: priority publishing; no language polishing required after editing.

Should you require any additional information, please do not hesitate to contact me.

Kind regards,

Jennifer C. van Velkinburgh, PhD
