

We acknowledge the kind and constructive comments by the reviewers that have contributed to improve the revised manuscript.

An answer to each specific comment follows.

Authors:

- 1) Page 1, line 7: we added the postal code "90127".

Introduction:

- 2) Page 3, line 11: we added the reference number.
- 3) Page 3, line 14: we added the reference number.

Case Report:

- 4) Page 4, line 3: we added the reference number.

Discussion:

- 5) Page 4, line 18: we added the reference number.
- 6) Page 4, line 21: we added the reference number.
- 7) Page 4, line 23: we added the reference number.
- 8) Page 5, line 1: we added the reference number.
- 9) Page 5, line 3: we added the reference number.
- 10) Page 5, line 5: we added the reference number.
- 11) Page 5, line 6: we added the reference number.
- 12) Page 5, line 10: we added the reference number.
- 13) Page 5, line 11: we added the reference number.

Comments:

- 14) Page 5, line 17: we added the comments, as suggested, until page 6, line 24.

References:

- 15) Page 6, line 27: we added PMID and DOI in each reference, as suggested, until page 9, line 1.
