ESPS Manuscript NO: 28122

**Manuscript Type: Minireviews**

**Title:Sonoelastography in the musculoskeletal system ; current role and future directions**

“Reviewer 1: The manuscript is well written but needs more information about synovial lesions, carpal tunnel syndrome and masseter muscles.”

Dear Reviewer 1, Thank you for your comments. More information has now been included in the manuscript about synovitis, carpal tunnel syndrome and masseter muscle. These areas have been highlighted in yellow.

“Reviewer 2: Interesting review, there are no specific comments.”

Dear Reviewer 2, Thank you for your review.
