

## Answering Reviewers

April 15, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name World Journal of Cardiology revision on editorial HbA1c, BP, and LDL-C goals in diabetics)

Revised title: **Editorial on hemoglobin A1c, blood pressure, and LDL cholesterol goals in diabetics**

Author: Wilbert S. Aronow, MD, FACC, FAHA, FACP

Name of Journal: World Journal of Cardiology

ESPS Manuscript NO: 2830

None of the 3 reviewers of my invited editorial suggested any comments for revision.

1. Format has been updated. The title was reduced to 12 words. A 250-word abstract has been added in red. a 114-word CORE TIP has been added in red.

2. None of the 3 reviewers of my invited editorial suggested any comments for revision.

3. References and typesetting did not require correction.

Thank you again for publishing my editorial in the World Journal of Cardiology.

Sincerely yours,

Wilbert S. Aronow, MD, FACC, FAHA, FACP

Professor of Medicine, New York Medical College
