Subject: Number ID: 01560498 WJH 6th Anniversary Special Issues (6): Liver Transplantation

Dear Dr. Hori,

First of all, congratulations on the publication of your highly cited original article <Optimal systemic hemodynamic stability for successful clinical outcomes after adult living-donor liver transplantation: Prospective observational study> in the field of Liver Transplantation, which has been cited more than 5 times. It reflects the quality and influence of your paper as well as your great contribution to this field.

Owing to your outstanding contribution to the field of Liver Transplantation, we would like to invite you to write review article for *World Journal of Hepatology (WJH)* 6th Anniversary Special Issues (6): Liver Transplantation.

WJH is now indexed in PubMed, PubMed Central, and DOI. For details, visit:

<http://www.ncbi.nlm.nih.gov/pmc/journals/1321/>

Please find below detailed information concerning making a contribution:

Review Articles Scope: Covers diagnostic, therapeutic, management, and preventive modalities.

Publication Fee: It will be free of charge upon acceptance of the paper for publication. There are no restriction on the number of authors, number of words, figures (color, B/W), tables and references.

How to submit

Step 1 Submit the article title by **April 28, 2014**

By clicking

<http://www.wjnet.com/esps/ManuscriptInvited.aspx?SId=AB0dbBgBb5LHGxCGxyOkCA%3d%3d&Email=hH%2b3vqOG5S8f8JT17YqTu7k83mJU%2bavNeCapoP7KRHE%3d&Id=72f2ec2a-7a05-4d56-a621-86054d1a5976> , choosing World Journal of

Hepatology and Review Article. After we receive and assess the title of the article, we will send you a formal letter of invitation.

Step 2 Upload the article by **August 28, 2014**

About *WJH*

WJH is a high-quality, peer-reviewed, open-access journal (OAJ). The *WJH* editorial board consists of 466 experts in stem hepatology from 53 countries. The primary task of *WJH* is to rapidly publish high-quality original articles, reviews, editorial, and case report, frontier of the fields of hepatology research. We are making the peer review process transparent, in which the reviewer's anonymous comments and the author's responses to the comments will be published together with the article, to promote healthy academic communication.

The journal is published by Baishideng Publishing Group (BPG), with 21 years of experience in editing and publishing high-quality World-series open access clinical medical journals. Currently, BPG publishes a total of 43 open-access World-series clinical medical journals. *WJG* is the flagship journal of BPG, which is included in SCI, with an impact factor of 2.547 in 2012. A total of 21 BPG journals (including *WJG*) are included in PubMed Central and PubMed. For details, please visit http://www.wjgnet.com/bpg/navdetail_52.htm
