Damian Garcia-Olmo, MD, PhD  
Editor-in-Chief  
World Journal of Gastroenterology

Dear Editor:

Thank you very much for your email on September 29, 2016 and the review reports from you and the reviewers. We appreciate the time you invested in the detailed reading of our manuscript. We are pleased to receive the feedback on the paper and are excited that the paper is tentatively accepted for publication in *World Journal of Gastroenterology* with revision. Please find our revised manuscript enclosed, which has been revised according to the comments from you and the reviewers. All the concerns and comments have been carefully addressed, and below you will find our point-by-point response to the reviewers' comments and suggestions.

Response to the Editor:

Q: Minor language polishing.

A: We appreciate your time and detailed reading of our manuscript. We have carefully checked language in the manuscript as well as the figures. We believe that the revised version is much better than the original with respect to the English presentation.

Q: The classification is good.

A: Thank you for this suggestion. We carefully reviewed our paper and added some relevant content to improve its quality. We believe it is better than the original with respect to the classification.

Once again, we thank you for your careful reading of the manuscript and kind suggestions. We hope that these responses have adequately addressed your main concerns and the revised manuscript is now suitable for publication in *World Journal of Gastroenterology*.

Sincerely,

Chunxu Wang on behalf of all authors
