Dear Dr. Boschee:

**RE: WCHRI Clinical/ Resident Trainee Research Grant 2015 – Offer of Award**

On behalf of the Women and Children's Health Research Institute, we would like to congratulate you on your successful WCHRI Resident Trainee Research Grant application.

Details of this offer are below and in the attached documentation.

**Project Title:** Endoscopy and duodenal biopsy in the diagnosis of pediatric celiac disease

**Preceptor:** Dr. Justine Turner

**Value of Award:** \$2,000 (maximum) is offered for your operating budget and \$500 for statistical analysis.

These funds will be administered by WCHRI through expense reimbursement using speedcode 25WRS. Further reimbursement details are attached in this e-mail.

**Term of Award:** This award is valid from the formal offer date through to the completion of your trainee program or through to June 30, 2018 provided you remain registered in the residency program.

**Funding Source:** The Women and Children's Health Research Institute, through funds provided by The Stollery Children Hospital Foundation.

**Period of Offer:** The period of offer commences July 22, 2015, and terminates August 8, 2015. In the event a signed Commencement & Compliance form has not been forwarded to WCHRI on or before August 8, 2015, this Offer of Award will be deemed void.

**Reporting:** The awardee must submit a final report. The purpose of the final report is to provide details of the impact of your research to our funders.

In order to request implementation of your Offer of Award, WCHRI will require completion of the enclosed Commencement & Compliance form.

All research certifications (Human Ethics, Animal Approval, and Biohazard) must be provided to WCHRI prior to reimbursement of any expenses.

A copy of the Terms and Conditions pertaining to this award are included in the Commencement & Compliance form for your reference. By accepting funding from WCHRI, you agree to abide by these Terms and Conditions.

Attached is the Resident Research Grant reference guide that details the process to follow to complete for reimbursements.

Should you have any questions regarding your award, please do not hesitate to contact WCHRI Grants Administration at [wcgrants@ualberta.ca](mailto:wcgrants@ualberta.ca).

Again, congratulations on your successful application. We hope that your research experience is highly productive!

Sincerely,

Dr. Lorin Charlton  
Academic Research Officer
