Jiangxi University of Traditional Chinese Medicine

## INSTITUTIONAL REVIEW BOARD STATEMENT

The study was Supported by the Projects of National Natural Science Foundation of China (No. 81260595 and 81460679), and funded by Chinese Scholarship Council and Jiangxi Province as visiting scholar (CSC: 201408360106, 201408360110), the Traditional Chinese Medicine project of Health Department of Jiangxi Province (NO. 2015B049), and the Project of Jiangxi University of Traditional Chinese Medicine (NO. JZYC15S13).

All routine colonic biopsy specimens and Peyer's patches samples from the rats were taken after ethical permission was obtained for participation in the study.

The manuscript had not been submitted in any other journal, and has no controversy on intellectual property with any organization or individual.
