

December 12, 2016

To,

The Editor,

World Journal of Gastroenterology.

Dear Editor,

Please find attached our revised review entitled, "Lymphocytic Esophagitis: Still an Enigma a Decade Later" (30949-Revised Manuscript). Please find point by point responses below. This is an invited review for Dr. Prashanthi N. Thota (number ID: 03473712) and is accompanied by an offer of waiving publication fee if accepted for publication. All the authors have contributed to the conception and design, acquisition of data and drafting of manuscript. The final draft has been approved by all co-authors. Thank you very much for reviewing our manuscript and considering it for publication in the World Journal of Gastroenterology.

Sincerely,

Prashanthi N. Thota, MD, FACP

Director, Esophageal Center, A31

Department of Gastroenterology and Hepatology

Digestive Disease & Surgery Institute

Cleveland Clinic Foundation, Cleveland, OH, 44195

Point by Point Responses:

Reviewer 34127 comment: “Excellent manuscript, no concerns”,

Response: We thank them for their positive feedback.

Reviewer 3940 comment: “I think this is a useful report which summarizes a large body of diffuse literature in a coherent manner”.

Response: We thank them for their positive feedback.
