

INSTITUTIONAL REVIEW BOARD STATEMENT

Name of Journal: World Journal of Hepatology

Manuscript Type: Retrospective study

Title: Passive expansion of sub-maximally dilated transjugular intrahepatic portosystemic shunts and assessment of clinical outcomes

Michael C. Hsu, MD, Charles N. Weber, MD, S. William Stavropoulos, MD, Timothy W. I. Clark, MD, Scott O. Trerotola, MD, Richard D. Shlansky-Goldberg, MD, Michael C. Soulen, MD, Gregory J. Nadolski, MD

Institutional review board statement: Institutional review board approval was obtained for this study. Given the design involves retrospective review of previously collected data obtained during clinical care of the patients, IRB approval was granted using an expedited review process.
