

Editor Comments

Job No.: 7033355

Job Title: Hepatitis B virus X protein induces hepatic progenitor ...

Your Editor: Lee Clough, PhD

Your latest manuscript has been comprehensively edited.

Please check the text carefully, especially the areas highlighted in **yellow**.

If you have any questions about the manuscript, or if you would like me to check any final changes you make to the wording, please let me know. However, if you will proceed directly to submission, I wish you well with this.

We look forward to working with you again.
