The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

**Reviewer's code:** 02441070

"your paper should add endoscopic images."

Four endoscopic images were added to the manuscript to highlight the spectrum of abnormal histology with endoscopic findings among mycophenolate mofetil treated patients.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology Endoscopy*

Sincerely yours,

**Merajur Rahman, MD,**

Division of Gastroenterology,

Department of Medicine,
