

### **Conflict of Interest Statement**

The present study was funded in part by a competitive research grant from Physician's Exclusive (Glenview, IL) to the University of North Texas. The UNT team did not receive direct funding associated with the completion of the present study. The funding agency was not involved in the data collection, analysis, interpretation, and manuscript preparation. Double blind procedures and confidentiality were used to conduct the present study in a sound and unbiased manner. As such, the authors report no conflict of interest associated with completing the present study.
