This is a confirmation document that:

## Manuscript title:

*Systemic interleukin-9 in IBD: association with mucosal healing in ulcerative colitis*

## Authors:

*Małgorzata Matusiewicz, Katarzyna Neubauer, Iwona Bednarz-Misa, Sabina Gorska, Małgorzata Krzystek-Korpacka*

submitted on March 17th was edited for proper English language by an expert language reviewer (native-speaker from the United States). Language verification was performed by employee of Translmed with offices located in Wielun (Poland) and Cedar Hill, TX (USA). If you have any concerns or questions about this document or certification, please contact [translmed@translmed.com](mailto:translmed@translmed.com)

**Proofreading & Copyediting:** this involved reviewing and editing text for spelling mistakes, typo errors - mainly introduced by mistyping, correcting mistakes in grammar and punctuation, correcting syntax, word usage, capitalization, tenses in the manuscript and improving the flow of text by rewriting, rearranging and rephrasing the sentences for better readability, comprehension and flow, maintaining style, originality and US/UK consistency.

This document should be English-ready for publication; however, the author has the ability to accept or reject suggestions and changes made during the editing process.

Sincerely yours,

3/25/2017
