

Via della Croce 28
38123 Ravina
Trento, Italy

29th March, 2017

The undersigned Adrian Belton, a native-English expert in academic paper editing and proofreading, declares that he has revised the manuscript "**Solid lipid nanoparticles delivering anti-inflammatory drugs to treat inflammatory bowel disease: effects in an *in vivo* model**" for grammatical clarity and appropriate vocabulary.

Sincerely,

Adrian Belton

A handwritten signature in black ink, appearing to read 'Adrian Belton', with a stylized, cursive script.
