Dear Editor,

Please find enclosed the edited manuscript in Word format (ESPS Manuscript NO: 3331 - edited).

Title: Hepatocellular giant cell carcinoma after consumption of hypericum perforatum in alcoholic cirrhosis

Author: Evangelis S Lampri, Elli Ioachim, Haralampos Harissis, Eufemia Balasi, Antigoni Mitselou, Vasiliki Malamou-Mitsi

Name of Journal: World Journal of Gastroenterology

ESPS Manuscript NO: 3331

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) An editing company (AmEditor.Inc) made the necessary corrections in the manuscript.

(2) The patient was tested for other etiologies of cirrhosis which were all negative (as it has been added in the revised manuscript)

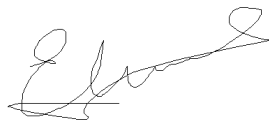

(3) The patient is followed until today and he is tumor free

(4) Arrows have been added to denote the pathological features of the liver histological picture.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the World Journal of Gastroenterology.

Sincerely yours,

Lampri Evangelis, MD
