

Dear Editors,

Many thanks for your comments and edits concerning our manuscript entitled 'Serous pancreatic neoplasia, data and review' (Manuscript ID 33826). The edits have been important and helpful to improve our paper.

Please find revision of our manuscript. We highlighted the changes in our manuscript by using track changes mode in MS Word.

Previously when we first submitted our original paper to WJG system, we thought the system would automatically add the first author and corresponding author's name as submitter. However, Professor Christoph F. Dietrich as our first and corresponding author was not listed in authors. Please find the correct author list in our submission files.

This study was approved by all co-authors. Each author had participated sufficiently in any submission to take public responsibility for its content. Publication is approved by all authors and tacitly or explicitly by the responsible authorities where the work was carried out. The author(s) or author(s) institutions have no conflicts of interest. The article is not under consideration for publication elsewhere. No conflict of interest exists of this manuscript.

We deeply appreciate your consideration of our manuscript, and we are looking forward to receiving comments from the reviewers. If you have any questions, please don't hesitate to contact me at the address below.

Thank you and best regards.

Sincerely yours,

Prof. Dr. med. Christoph F. Dietrich
