

JOURNAL EDITOR-IN-CHIEF'S REVIEW REPORT

Name of journal: World Journal of Gastroenterology

Manuscript NO: 33954

Title: Autophagic cell death induced by reactive oxygen species is involved in hyperthermic sensitization to ionization radiation in human hepatocellular carcinoma cells

Journal Editor-in-Chief (Associate Editor): Bei-Cheng Sun

Country: China

Editorial Director: Jin-Lei Wang

Date sent for review: 2017-06-27

Date reviewed: 2017-06-29

JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

Authors demonstrated in this manuscript that hyperthermia with/or ionization radiation could induced Autophagic cell death and its processes is ROS associated. The manuscript is well written and reviews' comments were well answered. We believe that it is worthwhile to publish in World Journal of Gastroenterology.
