CERTIFICATE OF ENGLISH EDITING

To whom it may concern

This is to certify that the paper with the provisional title Intestinal ischemia-reperfusion injury can be reduced by postischemic perfusion with hypertonic saline through the superior mesenteric artery: a rat model, to be submitted by Dr. Michael Galagudza of V.A.Almazov Federal Heart, Blood and Endocrinology Centre, has been edited for language by Editage, a division of Cactus Communications. Neither the research content nor the author's intentions were altered in any way during the editing process.

Editage guarantees the quality of English language in this paper, provided our editor's changes are accepted and further changes made to the paper are checked by our editor.

A handwritten signature in black ink, appearing to read "Nikesh Gosalia".

Nikesh Gosalia
