

May 23, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: manuscript 3434 revised.doc).

Title:

Bisacodyl plus split 2-L PEG-CS improves quality of bowel preparation before screening colonoscopy

Author:

Flavio Valiante, Angelo Bellumat, Manuela De Bona, Michele De Boni

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 3434

The manuscript has been improved according to the suggestions of reviewer and the editor:

Reviewer

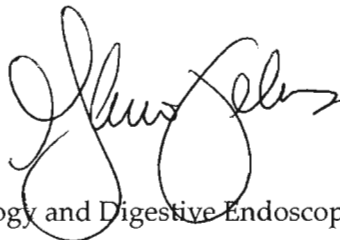

- 1 We agree that the suggested reference is more specific. We have modified the manuscript accordingly
- 2 We have added the dosage (5 mg) to make clear the total dose. Revision has been made according to the suggestion of the reviewer
3. We added this point in the discussion as recommended by the reviewer
4. We added the statistical comparison also for Grade A alone

Editor

We have made the editorial changes as requested.

Thank you again for considering our manuscript for publication in the *World Journal of Gastroenterology*.

Sincerely yours,

Flavio Valiante MD
