Dear Dr O'Grady,

I am pleased to advise that following a recommendation from the Board of Surgical Research, Council has agreed to award you the **James Ramsay Project Grant** for 2017. This award is for the duration of two scholarship years. The award has been made to enable you to undertake your research on "*Defining the pathophysiology of post-operative colonic ileus and pseudo-obstruction using fibre-optic high-resolution colonic manometry*" as outlined in your application. The value of the award is \$95,000.

The next step is to complete the attached Acceptance Form, which confirms your acceptance of this award and compliance with the attached policy conditions. We require approval from your Department Head and a representative from your administering institution (usually from your university or research department). If you are a SET applicant, please forward proof of your acceptance into the SET program together with your scholarship Acceptance Form and an electronic photograph of yourself to the Scholarship Program Coordinator at the address below no later than **17 August 2016**.

I would be grateful if you could advise RACS immediately should you not be able to accept the award. If you have any questions, please contact the Scholarship Program Coordinator, Sue Pleass, on 08 8219 0900 or via email as below. Further information will be forwarded to you on receipt of your acceptance.

Please accept my congratulations on this award and my best wishes for a successful outcome for your project.

Yours sincerely

  
Wendy Babidge
