
CERTIFICATE OF LANGUAGE EDITING

The English writing of the following manuscript was carefully edited by a native English speaker.

Manuscript Information

ID	Sciworks-06-27-01
Editing date	27 June 2017
Title	Efficacy and safety of sofosbuvir and daclatasvir in treatment of kidney transplantation recipients with hepatitis C virus infection
First author	Xue Y
Language writing before editing	<input type="checkbox"/> Very poor <input type="checkbox"/> Poor <input type="checkbox"/> Fair <input checked="" type="checkbox"/> Good <input type="checkbox"/> Very good <input type="checkbox"/> Excellent
Recommendation after language editing	<input type="checkbox"/> Submitting to target journal directly <input checked="" type="checkbox"/> Submitting to target journal after minor revision <input type="checkbox"/> Re-editing required after major revision <input type="checkbox"/> Unpublishable
Overview comments	The manuscript was edited for grammatical correctness, clarity, readability, fluency, and organization. Portions of the text where the meaning was unclear to me are marked with comments in the margin, and portions of the text that were redundant or otherwise unnecessary were removed entirely. After incorporating any changes I suggest, the manuscript should be ready for submission.
