

ENGLISH LANGUAGE GARANTEE

June 19, 2013

Dear Editor of the World Journal of Gastroenterology,

Although all the authors of the present manuscript (ESPS 3515) are not native English speakers, we have a long experience in the publication of our work in scientific international journals, as you can confirmed by our PUBMED track record.

Anyhow, and has routine, we carried out a careful and systematic review our manuscript for any English error. Therefore, I guarantee that the language of our manuscript will reach Grade A.

Sincerely,

Denise P. Guimarães, MD, PhD,
