This manuscript has been edited by me, Jiande Chen, PhD, a full professor from Johns Hopkins University School of Medicine, United States; e-mail address: jchen184@jhu.edu. I have been working on gastrointestinal electrophysiology and motility for over 30 years, published more than 380 full papers in peer-reviewed English journals and served as an editor, associate editor or editorial board members in various professional journals.

A handwritten signature in black ink, appearing to be 'Jiande Chen', with a stylized, flowing script.
