CERTIFICATE

I, Dr. Yu-Xiao Yang, associate professor of medicine and epidemiology, certify that the statistical analysis of the article entitled, “Albumin as a prognostic marker for Ulcerative Colitis” was performed and verified under my supervision at our Department of Epidemiology and Biostatistics. This certificate can be delivered to the concerned person for any purposes for which it may be required.

Thank you very much for your consideration.

Sincerely yours,

Yu-Xiao Yang, M.D. M.S.C.E., F.A.C.P.
