*Retrospective Study***Clinical features of alcoholic hepatitis in latinos and caucasians: A single center experience**Pinon-Gutierrez R *et al.* Presentation, management and prognosis of alcoholic hepatitis

Rogelio Pinon-Gutierrez, Blythe Durbin-Johnson, Charles H Halsted, Valentina Medici

Abstract**AIM**

To study differences of presentation management, and prognosis of alcoholic hepatitis in Latinos compared to Caucasians.

METHODS

We retrospectively screened 876 charts of Caucasian and Latino patients who were evaluated at University of California Davis Medical Center between 1/1/2002-12/31/2014 with the
