

## **Biostatistics review certificate**

**Title:** Maintenance for healed erosive esophagitis: Phase III comparison of vonoprazan with lansoprazole

**Manuscript NO:** 36567

**Corresponding author:** Kiyoshi Ashida

24, January 2018

Dear Professor Ma

I confirm that I have reviewed the statistical methods of the study described in Manuscript NO. 36567 by Kiyoshi Ashida et al, and consider them to be appropriate for the research conducted.

Yours sincerely

A handwritten signature in black ink, appearing to read 'T. Hashimoto'.
