Dear Sir

**RE: English Language Certification**

I, Dr Sharafat Hussain, Consultant psychiatrist and second author of the paper have read the manuscript titled "An audit of physical health monitoring in children and adolescents receiving antipsychotics in neurodevelopmental clinics in Northumberland" and can confirm that the language used is appropriate for a scientific publication.

I am a Fellow of the Royal college of Psychiatrists and have been practicing as a child and adolescent psychiatrist in the United Kingdom for the last twenty three years.

Yours faithfully

Dr Sharafat Hussain MB; BS; DPM; FRCPsych
