

Certificate of Biostatistics Review

November 1st, 2017

To whom it may concern

Title of study: "Incidence of Hepatocellular Carcinoma in Patients With Chronic Liver Disease Due to Hepatitis B or C and Coinfected with the Human Immunodeficiency Virus: a retrospective cohort study"

Principal investigator: Patricia dos Santos Marcon

This letter is to certify that I have read the study protocol and I understand that the statistical methods and techniques applied are appropriate for the research.

Sincerely,

A handwritten signature in black ink, appearing to read 'MSBW', is centered on the page.
