

## DECLARATION

I declare that the English text of the manuscript entitled "Different options of EUS-guided biliary drainage after ERCP failure", by José Celso Ardengh, César Vivian Lopes, Rafael Kemp, and José Sebastião dos Santos, was revised by me, Elettra Greene, a professional translator and editor who has been working in this field for more than 35 years. A graduate of the Italian University "Luigi Bocconi" of Milan, with a major in English (1955), I have lived 17 years in the US and am now a permanent resident of Brazil. At the Faculty of Medicine of Ribeirão Preto, I have translated or revised the English text of hundreds of papers authored by University Professors and submitted for publication in international journals. I have worked for 10 years (1979-1989) as the Technical Editor of the Brazilian Journal of Genetics, and from 1983 to 2010 I have worked as Copy Editor of the Brazilian Journal of Medical and Biological Research ([www.scielo.br/bjmbr](http://www.scielo.br/bjmbr)).

I can be contacted at [elettragreene@hotmail.com](mailto:elettragreene@hotmail.com)

A handwritten signature in blue ink, reading "Elettra Greene", written over a horizontal line.

Elettra Greene
