

### Authorisation for publication of case study

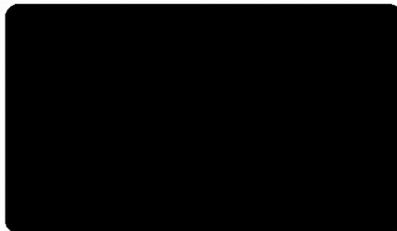

I  ...give Mr Shrestha and his team at Sheffield Teaching Hospitals NHS Foundation Trust the permission to publish, reproduce and to distribute the case study titled *"Treatment of transplant renal artery pseudoaneurysm using expandable hydrogel coils- a case report and literature review"*. I am aware that:

- the case study does not mention my name or address but it does include my medical care, gender, age and medical history;
- the authors currently plan to submit the case study for publication in the medical journals for educational purposes;
- I will not be paid in any manner for use of the case study and I will not receive any royalties or other compensation in connection with any such publications or use;
- I am not required to sign this form and I may refuse to do so. My medical treatment will not be affected by whether or not i sign this document.
- I may withdraw this authorisation for any future sharing at any time by notifying my attending physician in writing but this will not affect information that has already been shared or published ;
- the publication includes anonymised radiographic images;
- this authorisation has no expiry date.
